What is Wood Badge?

Wood Badge is the most advanced adult leader training available. A Scouter participating in Wood Badge has the opportunity to understand Scouting as a family of interrelated, values-based programs providing age-appropriate activities for youth; recognize contemporary leadership concepts and discover how they are relevant to the Scouting movement; apply the skills learned as a member of a successful working team; and revitalize their commitment to Scouting by sharing in an inspirational experience that provides Scouting with renewed leadership. Many Scouters consider Wood Badge to be a peak experience of their Scouting careers.

Who may attend Wood Badge?

Wood Badge for the 21st century is for all leaders in the Boy Scouts of America. It has been developed for Cub Scout, Boy Scout, Varsity Scout and Venturing leaders, as well as council and district leaders.
