MARCH 2010 A NEWSLETTER FOR LINCOLN HERITAGE COUNCIL SCOUTS, SCOUTERS AND VOLUNTEERS

TROOP 1 CELEBRATES SCOUT ANNIVERSARY WEEK

SUBMITTED BY GARY PURLEE, TROOP 1

In Jeffersonville, Indiana, Troop 1 celebrated the 100th anniversary of Boy Scouting in many ways during February. Members of the troop presented a history of Boy Scouting to the members of the Jeffersonville Rotary Club. The troop also provided a flag honor guard, display of historic materials and the speaker for the Chief Old Ox district dinner.

The troop was also visited by Baden-Powell (portrayed by Ed Fortner) during a recent Court of Honor. Members of Troop 1 actually met Baden-Powell during his 1912 visit to Louisville.

Troop 1 was also awarded the United Methodist Bishop's Award of Excellence - one of only a dozen given throughout the nation. The troop has been sponsored by the Wall Street United Methodist Church since its formation.

As part of their 100th Anniversary celebration the troop will also co-host a 100th Anniversary Celebration of Scouting at downtown Jeffersonville's

REMEMBER TO TURN IN UNIT RE-CHARTERS

All unit recharterers are now past due. If your unit has not completed recharter please contact your Unit Commissioner or District Executive (DE) immediately to schedule a time to complete your recharter paperwork as soon as possible.

Your Commissioner or DE should have already delivered your recharter packet for your unit. In your recharter packet are instructions on how to complete your unit's recharter online, if you need a paper copy please contact the council Registrar (502-361-2624) as soon as possible and one will be sent to you immediately.

As we did last year, we will again be collecting \$1.00 per youth and adult member at recharter to cover a portion of the Accident & Insurance policy covering all Scouts and Scouters in the Lincoln Heritage Council.

CHANGE: the National Office of the BSA has raised the annual membership

fee to \$15.00 per member (youth & adult). This new fee is in effect for ALL unit recharterers no matter which month you recharter. Please make sure you are collecting the proper amount for your unit. The \$15 membership fee is transferred directly to the National Office of the BSA and does not support the Lincoln Heritage Council. Our local council does not set the annual BSA membership fee. New membership and adult applications reflect this new price. Key points to remember:

1. Your recharter cover page must be signed by your Chartered Organization, even online recharterers need a signed cover page submitted to the council office to complete the process.
2. All new volunteers or volunteers changing position must have a signed and approved volunteer application submitted with your unit's recharter.
3. Adults serving in multiple registered positions need pay the membership fee

only once, indicate "multiple" on all other recharterers.

4. Webelos transitioning to a Boy Scout troop this Spring should recharter with their pack and then transfer to their new troop after recharter to ensure their membership records stays intact.

5. Recharterers are due on the 15th of the month they expire; for example, check your BSA membership card. If it says it expires on January 31, your recharter needs to be completed by January 15th so that it can be processed on time.

If you have questions or run into problems please let your Unit Commissioner and or District Executive know so they can schedule time to help you complete the process on time.

Starting with the University of Scouting on January 23rd, the Fourth Saturday of each month will have multiple training opportunities for volunteers throughout the year, Council and District events will no longer force volunteers to choose between training and doing something fun with their Scouts. COMMISSIONER CORNER

Commissioner Service is the key to healthy units. Even the best pack, troop, or crew runs into difficulties and having a team of experienced Scouters to lean on for support and guidance. One of the keystone's of Commissioner service is a Quality monthly district Cub Scout and Boy Scout Roundtable. Each Boy Scout Roundtable needs a dedicated staff of 4-5 volunteers to make it fun exciting and informative. Each Cub Scout Roundtable staff needs a team of 5-6 volunteers to ensure that the different Den Leaders and Cubmasters get the tools they need to make their den & pack the best it can be. Volunteers can attend any Roundtable, it is recommended that

you go to the one in your district but if the meeting time and place doesn't work for you feel free to pick another one. Roundtable Commissioners, if you need help or guidance in making your Roundtable better for the leaders in your District, contact Dan Sturtzel Asst. Council Commissioner for Roundtable; d.sturtzel@insightbb.com. The second key component to Commissioner Service is the monthly Unit visit. Our goal is to ensure every Pack, Troop & Crew in the council has a trained and active Unit Commissioner and that our commissioners are the best, most experienced Scouters in the council. Each district currently has a team of commissioners and is always recruiting

to make sure our units get the support they deserve. If you have questions about commissioner service feel free to contact your District Commissioner. Commissioners are here to help keep unit leaders informed, provide support and offer solutions to overcome roadblocks. Attention Commissioners: The Scout Shop is now carrying special limited edition 100th Anniversary Commissioner position patches. Pick yours up today and wear it proudly!

SCOUT EXECUTIVE ENCOURAGES ALL UNITS TO PARTICIPATE IN SCOUT COMMUNITY SERVICE DAY

What bigger statement could we make as the Boy Scouts in our 100th anniversary year, than to have a one day community service project mobilizing thousands of Scouts, leaders, parents and others to do community service projects in your local community.

You have the opportunity to be a part of something great! We, the Lincoln Heritage Council, are asking your unit to participate in the community service project on March 27th. Our goal is to mobilize as many Scouting people as

we can to do our "good turn" for our community.

Together, we could make history and perhaps a world record on community service. Most importantly, we can help change our communities for the better! Please click here for more information. We are asking for your participation in what can be the most important activity we do as Scouts in 2010.

Please take a moment to visit www.lhcbasa.org/86/CommunityService to sign

up your unit for the community service day.

I can't wait to hear about the many great projects we are doing all over the council. Thanks and I hope to see you out there on March 27th.

2010 FAMILY FRIENDS OF SCOUTING

The Family portion of our 2010 Friends of Scouting campaign is well underway. Thank you to David Brown for chairing this year's Family Campaign, and to all the District Family Campaign Volunteers. The results are listed below by District. So far these volunteers have conducted over 50 presentations and raised nearly \$50,000.

The Family Friends of Scouting Campaign gives BSA volunteers and parents an opportunity to make a tax deductible contribution to support the mission and programs of the Lincoln Heritage Council, Boy Scouts of America. Each district has a team of volunteers that will be contacting every pack, troop, and crew to schedule a short presentation at a Blue and Gold Dinner or Court of Honor meeting sometime between January 1st and March 31st of 2010. Last year, over 1,100 families contributed over \$120,000 to the Friends of Scouting campaign. These generous gifts supported Tunnel Mill and the Harry S. Frazier Jr. Scout Reservations, supported training for volunteers, scholarships for families in need, membership outreach and much, much more.

As a means of saying thank you to all the units that participate in the Family Friends of Scouting program, the

Free Rank program the council offers will be available only to those units that schedule and conduct a Family Friends of Scouting presentation by March 31st, 2010. New this year, donors may designate a project they want their gift to support, Tunnel Mill Scout Reservation, Camp Crooked Creek, Volunteer Training, Scholarships, or the council general fund. Without the generous financial support of BSA families and volunteers, the many services provided by the Lincoln Heritage

Council would be dramatically diminished. To schedule your unit's presentation, contact your District Executive and they will put you in touch with a member of the District's Family Friends of Scouting team.

Or fill out the form below and return to the council office. It's not too late to schedule your Unit's Family FOS presentation.

DAY CAMP 2010

Help us deliver the promise! Boys join Scouting to shoot bb guns, learn about archery, study nature, play games and have fun with other boys. The Cub Scout summertime outdoor program is key to retaining youth in your pack. Day camps are a big part of the program and can be a highlight in the lives of the boys in your pack. Cub Scout Day Camps theme this year is "How the West was FUN".

The exciting day camps will feature fun, games, crafts and so much more. We have different camps being offered to you this year. Applications with dates and locations for each can be found on our web site www.lhcbasa.org or at the Sam Swope Scout Center, for questions about Day Camp call Sarah Flowers 502-361-2624 or sarah.flowers@bsaemail.org.

2010 SUMMER CAMP PROGRAMS FOR CUB AND WEBELOS SCOUTS

Are you looking for a way to keep your Cubs and Webelos active this summer? Would you like to spend some time in the great outdoors? Are you looking for some quality time to spend with your son? Resident Camp 2010 offers your Cub Scout age boy a fun-filled camping adventure with other Scouts at Tunnel Mill Reservation!

The theme for summer 2010 has been unveiled! All Cub Scouts are invited to Rock the Mill this summer. Applications are available at the Sam Swope Scout Center or online at www.lhcbasa.org.

Webelos Rock Star: Live the Dream is a four-day, three-night camping experience open to Scouts who will be Webelos I (4th grade) or Webelos II (5th grade) scouts in fall 2010. Swimming, shooting sports, fishing, and learning skills of cooking, fire-building, and camping will fill the day. Many of these activities will help Scouts earn various Webelos activity badges and belt loops. There will be 5 sessions of Webelos Resident Camp offered this summer – dates are listed at the end of the article. Packs must provide adequate leadership for their Scouts, but every Scout does not need a parent to attend. The ratio of youth to adults must be 4:1 or less with a minimum of 2 adults per pack.

The cost for Webelos Resident Camp is \$120; however, for those Scouts who pay and register before the early bird deadline of April 16, the cost is only \$105. The adult fee for Webelos Resident Camp is \$80. Each pack receives one free leader for each six paid youth.

Cub Jam: The Next Big Thing is a three-day, two-night shorter camping experience open to Scouts who will be Wolf (2nd grade) or Bear (3rd grade) scouts in fall 2010. A variety of fun camp activities will fill the day while helping Scouts complete various advancement requirements and earn belt loops. Nights will be filled with campfires, fun and games, and an outdoor movie. There will be 2 sessions of Cub Resident Camp offered this summer – dates are listed at

the end of the article. All Scouts must have a parent or guardian to attend Cub Resident Camp.

The cost for a parent-child team to attend Cub Resident Camp is \$115; however, any team that registers and pays before the early bird deadline of April 16 pays only \$100.

New in 2010: Due to changes in national regulations, all participants (both youth and adult) will have to complete Parts A and C of the official BSA health form. While a physical examination is not required, all participants will have to fill out the official form instead of just including important medical information on their camp application. All health forms will be due by the unit's pre-camp meeting. More details about this policy will be available at the University of Scouting and district roundtables.

If you need additional information, please contact either Camp Directors Steven Straub (502-899-5883) or David Hunter (502-955-6488) or Staff Advisor Ben Senff (502-361-2624).

BOY SCOUTS AND ADULT LEADERS EARN CATHOLIC RELIGIOUS EMBLEMS

Scouting builds character and teaches devotion to God in an environment that provides wholesome fun under the guidance of strong adult role models. The Scouting programs provide a wonderful channel to involve youth in the life of Catholic parishes. Young Catholics learn to care for others who are less fortunate. They develop a culture of goodwill, respect for the environment, acceptance of duties and exhibit their spiritual growth.

Roundtable

Roundtables are a place to learn! If you have not come to a roundtable meeting before or you have not been in a while, NOW IS THE TIME TO START! We meet every month on the second Monday. We cover new programming ideas, training, the latest info on district and council activities, and much more to better your unit's program! For more information, please call Mary Jackey (270) 257-9943 for Cub Scout questions and Rick Tatum (502) 937-5190 regarding Boy Scouts.

District ReCharter's

As units each year have to complete ReCharter's to stay up to date, so does the district. Arapaho's Recharter is now posted. All district positions and Merit Badge Counselors are current. We would like to send a big thanks to Gary Berghaus for his hard work in creating Arapaho's Merit Badge Counselor List! There will be copies available at March's Roundtable. Next time you see Gary, be sure to thank him for his successful efforts.

Camp Cards

Camp Card kick off is March 12th. You can get your cards at Roundtable. Please be sure to pre-request your quantity so there will be enough. If you need additional Cards or just need some to get started, please contact our District Camp Card Chair, Phillip Chodyniecki, at 935-2568. This is a great opportunity for your Scouts to earn money to go to Summer Camp, Resident Camp, or Day Camp! The Cards have \$250 in value and sell for only \$5! Your Scouts keep \$2.25 per card as commission, what a deal!

Training Corner

To get the maximum benefit of every adult registered in Arapaho, we need to train them. Please review with your unit's training chair to see what adults need training for the position he or she is currently registered.

Adult leaders in Scouting have a very big responsibility to ensure that every youth in Scouting is given the very best program that can be provided. To make this happen all leaders need to be trained in his/her specific Scouting position.

Youth in units with properly trained leaders are more likely to stay involved in the Scouting program for a much longer period. They, therefore, are more likely to get the maximum benefit that the Scouting experience has to offer.

In addition to positively affecting youth retention, leader training is one of the criteria towards earning the Centennial Quality Unit Award for 2010.

Every youth in our movement deserves a trained leader. Therefore, ask someone on the training team what courses you need to complete and attend the next available course. And thank you to those who took the Training Challenge these past few months! You are making a difference.

Friends of Scouting

Friends of Scouting (FOS) is the annual fundraising effort by the council to assure that the needs are met for our Scouting programs and facilities in our area. The Family FOS Campaign is where volunteers in our district make presentations at the unit level (Packs, Troops, and Crews) to give our families the opportunity to support the program in which they are involved. Every Unit is asked to schedule a visit by one of our presenters. Thank you to Pat Muncy for chairing our 2010 Family FOS Campaign and the great volunteer team of presenters. If you would like more information, please contact Pat Muncy at 502-618-0129 or Adam Bachmann at 502-361-2624 x3011.

Klondike Derby

The Arapaho District Klondike Derby will be held the weekend of March 12 - 14 at Camp Crooked Creek. The event is a joint effort by both Mohawk and Arapaho

leaders. This will be a patrol competition event with groups of 6-8 Scouts going around to different stations in camp.

This is also an excellent campout for Webelos to visit the Troops that they may be joining and participate in the fun. Registration forms will be available at the February and March Roundtables. Any questions, please contact, Jamie Franklin at jamietsa@windstream.net or Carl Carter at (502) 939-2695 ccarter@midwestenvironmentalservices.com.

Internet ReCharter

Thank you to those who have completed and turned in your unit ReCharters! If you still have not turned in your unit's ReCharter, we are running out of time. Please contact Adam Bachmann at 502-361-2624 x3011 if you have questions, concerns, or need assistance to have your ReCharter picked up or to set a time to drop off the ReCharter.

Pinewood Derby

Attention all Cub Scout Leaders! Arapaho District's Pinewood Derby will be on Saturday, March 6th. Billy Miles and the Pit Crew will take questions at 502-448-5075. Let your Scouts come show the district what their car is made of!

Cub Scout Day Camp

This year's day camp will be at Kerrick Elementary, off Upper Hunters Trace. Be on the lookout for more information from Marcia Coyle, this year's Day Camp Director, and her team!

Scout Community Service Day

The Lincoln Heritage Council has designated March 27, 2010 as a council wide day of service. As part of the council, Arapaho District, should participate in this service day in a big way. Each unit in the district is encouraged to find a service project in their area which will benefit their local community. Please use this opportunity to show your fellow citizens one of the ways Scouting helps to make their community a better place. DISTRICT DINNER

Thank you to Jerry Zimmerer, Frank Hulsman, Troop 243 and Crew 243 for your leadership with this great recognition dinner. This year's dinner featured Patrick Henry Hughes as our guest speaker. Also, thank you Steve Byers and the awards committee for their efforts in making this year's recognition dinner a great one. This year's District Award of Merit recipients are Mark Craven from Pack 346, Sarah Boles from Pack 454, and Jeremy Boles from Pack 454. Congratulations to all of this year's award recipients.

COMMISSIONER SERVICE

The health of every unit and the entire district is enhanced by a strong commissioner service. Our goal and the national standard is one commissioner for every three units.

Increased communication, new leader support and helping units in need are the primary responsibilities of a unit commissioner. We are looking for several new commissioners and are working to develop a full and active team. If you know someone who would make a great commissioner or would like to know what a commissioner does, please contact the Cherokee District Commissioner, Ken Bernardi, at 231-1406 or kbernardij@aol.com.

Scout Community Service Day

The Lincoln Heritage Council has designated March 27, 2010 as a council wide day of service. As part of the council, Cherokee District, should participate in this service day in a big way. BOY SCOUTS OF AMERICA 2010 CELEBRATE SCOUTING STAMP

In 2010, the year of our 100th Anniversary, the Boy Scouts of America (BSA) will receive an incredible honor from the United States Postal Service (USPS) in the form of a "Celebrate Scouting" stamp. A tribute to the impact of a century of Scouting on the American landscape, the stamp will become widely available during the summer of 2010.

Since 1910, Scouting has served young people and their families through a program of values-based leadership and character. Continuing the BSA's long tradition of service and good turns, we will bring deeper purpose to the Celebrate Scouting stamp by sending

letters and care packages to the military men and women serving our country overseas. Also included in this effort are the many veterans who have honorably served our country throughout the years. Join us in the effort!

You can start today by visiting the USPS Web site, where you will find important guidelines and information for keeping in touch with our troops overseas. And, you'll find a toolkit of information to support your efforts, below!

Scouts, BSA staff, volunteers — or anyone who'd like to join our effort — are invited to explore the following

resources. There are an array of tools to help you develop a thoughtful letter or care package that reminds our troops how much we appreciate and value their service.

2010 Seneca District Pinewood Derby

The 2010 Seneca District Pinewood Derby is scheduled for March 6, 2010. A special thanks to George Forman and Amy Johannemann for coordinating this year's Pinewood Derby. We also want to extend a very special thank you to the Northeast YMCA for their support. You have been sent the PWD registration form, schedule, and rules several times via email. Please get your finalists registered by March 1st.

Seneca District Dinner

A very special thanks to this year's District Dinner Committee headed up by Greg and Tammy Wells, Amy Johannemann, John Ribar, Dan Sturtzel, and Tom Fenton. Thanks for all the committee's efforts, this year's event honored many great leaders and volunteers in Seneca District. Congratulations to all who were honored at this event, especially our District Award of Merit recipients Gary Eady, Brian Martin, and Missy Pfaadt. The Seneca District also thanks Troop 314 and St. Matthews United Methodist for

hosting the event and John Stokes for another delicious meal.

Camp Cards – Fundraiser

We will officially kick off our Camp Card fundraiser at our March 8th Roundtable. This is a great opportunity to raise money to offset the cost of Summer Camp, Resident Camp, Day Camp, or any other Scouting activity. Some of the offers on the Camp Card are excellent this year including a \$5 Kroger coupon. The great thing is that the Cards are easy to sell; who wouldn't want to buy a card that has \$250 in value for \$5, especially from a Scout! And, the Scout gets to keep \$2.25 on every card sold. It doesn't get much better than that! If you would like to get your Unit signed up for this great fundraiser, please contact Susan Shoemaker at 361-2624 ext. 3025.

Family Friends of Scouting

Friends of Scouting (FOS) is the annual fundraising effort by the council to assure that the needs are met for the Scouting programs and facilities in our area. The Family FOS Campaign is where volunteers in our district make presentations at the unit level (Packs, Troops, and Crews) to give our families the opportunity to support the program in which they are involved. The Seneca District thanks every unit that has held a presentation or has scheduled one. We also encourage every unit that has not scheduled or conducted a presentation to do so. The Seneca District thanks our returning 2010 Family FOS Chair, Tom

Fenton, and the great volunteer team of presenters for their efforts this year. To schedule a presentation for your Unit, please contact Tom Fenton at tcf@morganandpottinger.com.

2010 Cub Day Camp

Cub Scout Day Camp is just around the corner; Seneca's Day Camp is June 7th through June 11th, at Watkins United Methodist Church. This year's Cub Scout Day Camp is five days of activities to keep your Scouts entertained and help them work on their Scout skills and achievements. As always, a great Day Camp needs lots of great volunteers. If you'd like to find out more about Day Camp or volunteer to help out, please contact Michelle Whitley, our Day Camp Director, at 744-6856 or mwhitley@appriss.com.

Camp Card Sales

Do you want your Scouts to learn the value of paying their own way? If you do, then the Camp Card Sales is a great way for your Scouts to pay their way to camp. The Camp Cards will be available at our March Roundtable. The sale begins on March 13th. A big key to success is setting up organized sales. Sell in front of a bank, a Dairy Queen, or anywhere there are a lot of people coming and going. Just like popcorn, Scouts should make the sale: "Sir or maam, can you help me to go to camp?" There are some really great deals on the camp card this year like spend \$50 at Kroger, get \$5 off. Who doesn't spend \$50 at Kroger? To sign up for the camp card sale or if you need more information please contact Brandy Koenig (502) 405-3006 or email brandykoenig@hotmail.com.

Cub Scout Day Camp

Don't let your kids miss out on the best programs in Cub Scouting. Day Camp is where the boys get to do Archery, BBs, Sling Shots, Hiking, Crafts, and having FUN. So start planning now by downloading the day camp guide book to assist your pack in planning for camp.

What should your pack do to start getting ready for Day Camp:

1. Make a commitment to take your Cub Scouts to Day Camp.
2. Recruit a Day Camp Coordinator.
3. Let all your parents and leaders know the dates of Day Camp.
4. Recruit parents and leaders to serve as 5 day walkers. (goal 1 adult for every 3-4 boys over recruit leadership)
5. Have your Cub Scouts sell Camp Cards so they can pay for Cub Day Camp.
6. Show Day Camp promotion video to your Cub Scouts and their parents. (contact Day Camp Directors for promotion)

If you need information about day camp or have questions please call Kara Hinton 502-345-0486 scoutspack721@yahoo.com (Day Camp South) or Dan Moore 502-643-7644 Dannymoore2@insightbb.com (Day Camp North).

Cub & Webelos Resident Camp

If your unit hasn't participated in Resident Camp before you are missing out on one of the great programs your kids can participate in. The camps fill up fast every year, so make your reservations now by getting your deposit in today. You can download the application off the council website. Adults attending camp have as much fun as the kids.

Summer Camp & Order of the Arrow Elections

Summer Camp for a Boy Scout troop is absolutely the most important activity a troop participates in all year. By attending summer camp a Scout earns merit badges and completes requirements towards becoming an Eagle Scout. The Pioneer OA chapter is conducting OA elections and summer camp promotions now. If you would like a summer camp packet, to set up an OA election, or to set up a summer camp promotion for camp contact Dan Moore 502-643-7644 or Dannymoore2@insightbb.com.

The Dan Boone District Pinewood Derby will be March 20th at Oldham County High School. Check in times will be staggered depending on the age group and will begin at 8:30 am. Registration forms and specific rules and regulations will be available at our March Roundtable, mailed to Cubmasters and Committee Chairs, and at the Scout Service Center. Each pack can send any racers, Tigers, Wolves, Bears and Webelos I & II. The cost is \$5 per racer and the first 100 racers will receive a Pinewood Derby Pin!

Boy Scout Advancement Day

In 2010 the Dan Boone District is offering a special event we have not done before: An Advancement Day for Boy Scouts.

We will be offering over 15 merit badge classes from Dentistry to Indian Lore as well as CPR for both adults and youth. The cost is \$10 per person and Scouts will need to bring a lunch with them.

Cross Over Ceremonies

This is the time for Cross-Over Ceremonies. Many packs have Blue and Gold Banquets in February and March where Webelos receive their Arrow of Light (the ONLY Cub Scout patch that may be worn on the Boy Scout uniform!). PLEASE remember that ALL new Boy Scouts, even if they were re-registered with the Pack, MUST fill out a Boy Scout application to be officially registered with their new troop. Many Webelos Scouts are left off of a Troop roster because no Boy Scout application was filled out when the Cross Over process was complete. For more information on the Webelos to Scout Transition, please contact Stephen Whitehead at (502) 361-2624 ext. 3022.

Scout Community Service Day

This year to celebrate 100 years of Scouting we are encouraging each unit to commit to a day of community service on Saturday, March 27th. This can be any kind of service project in your local community. It can be for your Church, School, Community Park or any number of places. If your unit would like to participate please sign up on our website www.LHCBSA.org. We want everyone unit in the District to participate in this. Together we can have a large impact in our community!

It's that time again, time for Boy Scout Troops to start planning their summer camping experience. There are still plenty of dates available to register you troop to go to Camp Crooked Creek. If your troop is ready to sign up for summer camp please go to <http://www.campcrookedcreek.com> for more information. Also be on the lookout for the new and improved leader's guide that will be distributed at roundtable.

Scout Community Service Day

On March 27, 2010 the Lincoln Heritage Council is asking all Scouting members and leaders to participate in our Day of Service. The mission of this Day of

Service is to link arms with churches, civic organizations, and government agencies to strengthen local communities with meaningful service projects that will help those in need, beautify communities, build friendships, and bolster the Scouting spirit. Some ideas of projects that your Scouts can participate in are helping the elderly in the community, working at the Humane Society, or locating a local United Way Charity to help. Please fill out the online project submission form at www.lhcbasa.org to let the council know what your unit will be doing as a service project and where your unit will be doing the project.

Cub Scout Day

For Tigers, Bears, Wolves and Webelos, this is one of the greatest parts of their Cub Scout experience. There will be archery, BB guns, campfires, hiking, skits and a whole lot more. Many Scouts earn as much half of their achievements at Day Camp and have awesome time! So don't forget to sign up for the Shawnee District Day Camp going on June 21-25.

"BUILDING THE FUTURE OF SCOUTING ONE BRICK AT A TIME"

As part of our 100th Anniversary Celebration a Scouting plaza will be added to the Sam Swope Scout Center in late 2010. The Scouting plaza will be made possible through the Century of Scouting endowment campaign.

The new plaza will be located next to the Sam Swope Scout Center and parking lot.

The campaign, which is expected to raise nearly 3 million dollars, will serve as an opportunity for individuals or families to honor and recognize Scouts, leaders, or any person who has made a difference through Scouting. Families can acknowledge the hard work and dedication of their Eagle Scout by purchasing an engraved brick

for the Eagle Scout Walkway. The Century of Scouting Walkway will allow Scouts to show their appreciation of a Scoutmaster.

"The Centennial of Scouting Plaza will not only symbolize the 100 years of the Boy Scouts of America, but the investments given as part of this recognition program will insure the future of Scouting in central Kentucky and southern Indiana," said Oxley.

To purchase a brick or to find out more information on the Century of Scouting Endowment Campaign contact Mark Kraus, Director of Development, at (502) 361-2624 ext. 3042 or e-mail Mark.Kraus@scouting.org.

Cub Scout Day Camp And Boy Scout Summer Camp

It's early in the year but this is the time to start promoting day camp and summer camp in your unit. Camps are an excellent way to increase the chances that your youth will stay in Scouting. It bonds your unit together and creates memories that will last a lifetime. Last year we had about 40 Cub Scouts come to day camp at Camp Crooked Creek and we had a wonderful time. Let's increase the number of youth exposed to day camp this year to about 70. Mary Milliner is our Camp Director this year. If you see Mary, thank her for her commitment and dedication to Scouting. If you can volunteer or if you need more information please call Mary

Milliner at 356-9728.

Pinewood Derby Race

It's almost time for Pinewood Derby racing!!! This event is one of the most exciting activities for a Cub Scout. We are having a district pinewood derby workshop at St. Augustine Church at 10am on March 13th. There will be people there to help your Scouts cut, sand and paint their cars. The race will be held on the following weekend on March 20th at St. Augustine Church. From 9am-12pm individuals that do not have a track can come and participate. From 1pm-5pm will be the District Championship Races. Packs can send their winner from each den to the championship race. Come have some fun with the Shawnee District. Call Robert Thomas at 361-2624 ext.3016 for more information.

Camp Cards

Need more money for your unit? Consider selling Camp Cards. Camp Cards are an excellent way to generate more funds for your unit activities. They are easy to sell and your unit keeps 45% of the proceeds. This year the Camp Card is even better with some excellent discounts. We are asking every unit to select an adult to be the Camp Card Chair and their responsibility it will be to promote, motivate and find

creative ways for the Scouts to sell Camp Cards. The best way to motivate your unit is to find out what you like to do, find out how much it is going to cost and set a goal to sell enough Camp Cards to make it happen. The cards will be distributed at the March Roundtable on the 8th. To sign up and to request the number of cards your unit would like to sell, please call Angela Rodgers at 338-0903.

The Lincoln Heritage Council has designated March 27, 2010 as a council wide day of service. As part of the council, Shawnee District, should participate in this service day in a big way. CUB SCOUT 2010 PROGRAM

The national office of the Boy Scouts of America has announced a major overhaul in the Cub Scouting program for fall 2010.

In the spring of 2010, new Cub Scout Leader Training materials, Leader handbooks and Youth handbooks will be made available to local councils, and are to be implemented in all Packs in the fall of 2010. The Lincoln Heritage Council will hold a detailed workshop for all interested Cub Scout leaders and trainers in the spring of 2010 to review

and prepare for these significant program changes.

So what is Cub Scouts 2010?

- A method of delivering the Cub Scout program that is handbook based and focuses on den activities that lead to youth advancement and retention.
- The change in delivery method focuses on den leaders, meeting plans, and training to conduct highly effective den and pack meetings.
- Advancement occurs in the den as a natural part of the planned program.

Roundtable

Roundtable is an event for every leader - Scoutmaster, Assistant Scoutmaster, Committee Chairs, Den Leader, Cubmaster, and other registered adult leaders and parents from your pack, troop or crew. Each unit needs to have someone attend to keep up to speed on things as well as to get the benefit of additional training. Roundtable is held on the second Tuesday of every month at the First Presbyterian Church in Elizabethtown at 7:00 pm. Make sure

you're there so your unit doesn't miss out on anything.

Commissioner Service

A strong commissioner corps helps to enhance the health of every unit in the district and of the district as a whole. As the national standard for unit commissioners is one commissioner for every three units, we have adopted this as the goal for our district. Increased communication, new leader support and units in danger of folding are the primary responsibilities of a unit commissioner. We are working to develop a full and active commissioner corps. If you are an experienced Scouter or Scout parent willing to give something back, please step forward to make your contribution. If you know someone who fits this description please call our District Commissioner, Mark Young, at 502-942-5282 or wolfeaglet@gmail.com with your recommendation.
