7p.m.

Mark Abrams from Highland Commerce Guild

Graffiti Warrior. Looking for volunteers that will help keep an eye out on graffiti in the neighborhood and to clean it or paint it as it pops up. Contact him at graffiti [buster@gmail.com](mailto:buster@gmail.com)

Jeff Artman – [jeff.artman@louky.gov](mailto:jeff.artman@louky.gov) – See metro watch numbers – no really increase crime is down because of weather.

Chuck B – Wayside report – They are in planning and zoning waiting for classification. We need to wait – possible BOZA meeting but no definite. BOZA is not a guarantee. Counsel asked for a map w/ alcohol and social services – we provided both. Both are on website. Please write to the mayor, and all representatives and the Sisters of Mercy.

Samantha Hatcher stood in for Tom Owen – according to his office at 3p.m. – Wayside no further inquiry – but they have listened to the audio tape we provided.

Tom was asked to pass on the message to Eggroll/Mimosa Café that they need to clean up sidewalk – it is a hazard.

Robin needs ads and articles for next newsletter.

We are recruiting block watch captains – talk to Darrin or Diane if interested.

Festival is Sept 12. Possible date for Wine tasting the 24<sup>th</sup>.

Robin – Neighborhood signage – see board minutes

Jay – Litter cleanup – appreciates any help – remove debris from the street drains do they don't over flow.

Arbor Day program on April 4<sup>th</sup> – giving away trees

To have trees removed w/in easements you need to talk to the city arborist.

Patterson Park is missing it's Gate – Andi will call Raatz Gate about it.

Tom Owen – Reminder that storm debris needs to be at curb for pick up.

Street lights are out please contact Metro Call at 311 or call Andi Williams 502-235-4368 or [kaiya666@gmail.com](mailto:kaiya666@gmail.com) and she will report as liaison

Front Porch Tuesday is starting May 12 for even addresses, and May 19 for odd.

Debris will only be picked up at the curb and we will be last agin.

Metro planning staff has found that wayside has not made and further inquiry about use of site. The planning staff has listened to audio tape that OH submitted and will soon have it's recommendations on parameters that both an applicant or opponent might need.
