VP – A couple of members at the last general meeting expressed concern over the repeated noise violations from the bars on Baxter. Request that we send a letter from the board to the bars before pursuing action with Tom's office. Keep calling in violations to police.

Treasurer - \$16000 in cash - \$1800 is tagged for Wayside, \$5600 for the Festival, and \$3700 for the Highland Island

Jackie also contacted Terra Long in Tom O's office about stop signs on Morton at Rubel and Edward. They will do traffic study and will respond by end of July. We also want to ask them to do a study when school is in session.

Wayside – Wayne – We are still going through BOZA hearing – proceeding like they could come back at any time.

LMPD – See the crime list and Crime grid Darrin put together. Cops are looking for suspect in thefts – Gold Cadillac with custom chrome wheels – please call if you see this car.

National Night Out is scheduled for August 4<sup>th</sup>

Tom Owen – Metro Council is going through budgeting right now.

Sidewalks & Stimulus monies – All problems are marked, but the conundrum is that only some will be fixed. Once marked, there is a liability that the homeowner is responsible for fixing them, but if someone is injured, because the government knows they are liable.

1308 Highland – had inspector come out – and he said not much change. Tom is in position of why can we not tear this down?

Stimulus \$ can only fix state hwy roads

Litter ordinance passed – affects us as we must now either attach our newsletter to the door or put in mail slot (not mail box.)

Newsletter – With litter ordinance – Wayne will approach Quills to see if they will purchase bags for us to hang newsletters on doors.

Festival – John Grantz has Bodeco, Those Darlin's, and Grayson Caps scheduled.  
Molly's, Wick's and O'Shea's on board  
Wine Tasting venue is secured

Need to send out request to neighborhood to help with planning Festival
